

Overcoming Indigenous Disadvantage: Key Indicators 2016

The Overcoming Indigenous Disadvantage report measures the wellbeing of Aboriginal and Torres Strait Islander Australians.

This comprehensive report card measures where things have improved (or not) against 52 indicators across a range of areas including governance, leadership and culture, early childhood, education, health, home and safe and supportive communities, and includes case studies on things that work to improve outcomes.

The report is produced in consultation with all Australian governments and Aboriginal and Torres Strait Islander Australians.
